

The architectural floor plan depicts a large, rectangular building with a complex internal layout. The plan is defined by a grid system with vertical lines labeled A through S and horizontal lines labeled 1 through 20. The building's entrance is located on the left side, near grid line A. The plan shows a variety of rooms, including a large central hall, several smaller rooms, and a series of rooms along the right side. The rooms are labeled with numbers and letters, such as (1)A, (2)B, (3)C, etc. The plan also shows structural elements like walls, columns, and doors. Dimensions are provided for various sections of the building, such as the width of the central hall and the length of the rooms. The plan is oriented with the entrance on the left side.
